8.2 Oct 18, 2017 A must have game and i must say i love the game Game is great and the new graphics are amazing Game is fun but lets be real it's a pirate game, what else do you want? Sometimes the voice acting can be a little rough but still a good game. If you want a fun pirate game i would definitely get this game and if your a fan of the real deal then this game is for you Pirates Of The Carribbean 2: Dead Man's Chest Online Gameplay Pirates Of The Carribbean 2: Dead Man's Chest is a free to play online multiplayer game for mobile devices like PC, Android, and IOS. The game is a port from the popular Pirates Of The Caribbean 2 game series and, like the other Pirates games, the storyline is the same. In the game, you play Jack Sparrow, a pirate who has lost his ship and ends up on a mysterious island. After discovering a secret hideout that was left by the first pirate of the island, Jack meets a guy named Henry. Later, the two make their way back to the island where they discover that Henry has a daughter, Elizabeth, who is in possession of a map to a lost treasure. Henry is an expert scuba diver and he and Jack must

go diving to the sunken treasure ship to find the map and the treasure. In the game, the player can choose from four different types of ships. They are the Royal Navy Ship, the Jolly Roger ship, the San Clemente Ship and the Black Pearl ship. Each ship has different abilities and you will need to consider which ship you choose in the beginning and play with that in mind. The game starts with the players sailing the ship around the Caribbean and into the open sea. This is also a good time to go looking for the hidden treasure. The players will make their way through multiple sea missions and also discover several islands where they can trade for items and gain upgrades.
